SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this

collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Abstract: This submission requests approval to collect data in support of the National Evaluation of the Investing in Innovation (i3) Program. The i3 Program is designed to support school districts and nonprofit organizations in expanding, developing, and evaluating evidence-based practices and promising efforts to improve outcomes for the nations' students, teachers, and schools. Each i3 grantee is required to fund an independent evaluation. The National Evaluation of i3 (NEi3) requires data collection to assess the strength of the evidence produced under the grantees independent evaluations as well as provide a cross-site summary of the findings. Specifically, the data collected for the NEi3 will be used to support reviews and reports to ED that: describe the intervention implemented by each i3 grantee; assess the strength of the evidence produced by each i3 evaluation; present the evidence produced by each i3 evaluation; identify effective and promising interventions; and, assess the results of the i3 Program. The NEi3 will collect data from the universe of all 117 i3 projects funded under the i3 Program through FY 2013.
